****** For softball only, Alexandria Little League has adopted the use of arms bands pursuant to LLI Rule 1.11(a)(3). The Rule states:**

“The use of play calling bands by defensive players is permitted under the following conditions:

- The equipment must be worn as the manufacturer intended (i.e. on either the wrist or forearm)
- The play calling band may not be attached to the belt or any other location on the player’s person.
- Baseball and Softball pitchers are permitted to wear a play calling band on their non-pitching (glove) arm, provided it is a solid color and not white, gray, or optic yellow. If the umpire considers it distracting to the batter, he/she may have it removed.”

Note: While LLI now permits the use of helmet stickers or decals, provided that such usage is not excessive, offensive, or inappropriate, ALL interprets this rule to prohibit the display of political references on a player’s helmet.

In addition, pursuant to LLI Rule 1.10, products such as choke-knobs, choke-up assists, or thumb protectors are considered alterations to the bat and are NOT permitted.
